

Zach R. Tokarczyk

Specialized Professional Competence

- Crash reconstruction and failure analysis.
- Computer aided engineering, computer modeling, and data analysis.
- Vehicle dynamics testing and instrumentation, vehicle parameter measurement, data analysis.
- Analysis of mechanical designs including the identification of failure modes and assessment of consequences of failure.

Professional Qualifications

- Dynamic Analysis Group LLC, 2024-Present
Engineer
- Bachelor of Science - Mechanical Engineering, 2024
The University of Texas at Dallas
- Collision Repair/Mobile Mechanic, 2018-2024
Dallas, Texas
- Certifications, Memberships and Activities
Academic Excellence Scholarship
Delta Tau Delta Fraternity, Vice President
